Explain in detail the reasons for your position that the newly filed case is related to the earlier filed case.

The newly filed case is related to the earlier filed case because the cases both list similar persons/entities as Defendants, and because both cases allege similar factual and legal grounds to support allegations of violations of Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 by the Defendants arising from the same public dissemination of false and misleading information to investors as alleged in the earlier filed case.
